Shipment of 5 PACK 32 for Africa

The production of the 5 Geneglace ice machines type PACK 32 is finished. These PACKS with a daily production of 26 tons per day (with water at 25°C and air at 35°C), will be associated with 5 manual compactors. Beginning of November, they will be shipped in containers to Africa..

2022 CHILLVENTA exhibition

From 11 to 13th October 2022, Geneglace participated at the CHILLVENTA exhibition in Nuremberg (Germany). Many customers came to visit us and we were particularly happy to welcome them after this long period of absence due to COVID restrictions.

Geneglace exhibited **3 machines from its CO2 range**: **G15** (650 kg*24h), **G30** (1200 KG/24 h), **G100** (3000 kg/24 h).
